PERSONAL DETAILS

Full Name: Daria Lysunets
Nationality: Ukrainian
Date of birth: 30/06/2003

OBJECTIVE

I am a proactive and results-oriented communications professional with practical experience in public relations, digital media, and web development. My academic background in business and international relations, combined with practical work in social media strategy and project coordination, has sharpened my strategic thinking and strengthened my ability to create strong, recognisable brands. With a solid background in web development, I am well equipped to create an effective digital presence.
